Mr. Mrs Haenggji
GALLERY 21
Johannesburg.

Greetings! Best Wishes to you
and your wonderful family, The Gallery!
The Paintings, Our Wonderful Clients,
and Ofcourse the Sculptures.

It is exactly
one week to-day - we met. I am missing
My Sculptures. Between Me and the
Sculptures is a language of suffering
which is only understood to Myself.

Once Again
I must thank you Mrs Haenggji and
Ferdinand for the wonderful Food you
sent us. My Thanks for having allowed
Alexander to come and see Our Place.
Next time when he comes we'll take
a little walk around the River.
