DEAR MRS E ROUSSOW,

I am really sorry, about asking you to have my "EXHIBITION POSPONED" due to my Fathers Death. My FATHER will be buried on Saturday, 24th. AT THE SAME TIME I do realise the trouble and expense you have gone into. So I was just wondering if you could have it postponed to a later Date, say a month or so.

If suitable to you we could maybe settle the Costs with maybe one of my small sculptures. I know how badly some of our and my Cape Town people will feel about the Show coming off. Because I know Cape Town People have been very very nice to me.

I'll be waiting and longing to hear from yours,

yours Faithful *D. D. D.*
